

**DEPARTMENT:** FINANCE

**JOB CODE:** #F001

**POSITION:** CFO

**ROLE:** SENIOR

**EMPLOYMENT TYPE:** CONSULTANT

**LOCATION:** DUBAI

### **WHAT DESCRIBES YOU**

- You are looking for more than just a job, and would like to make meaningful contributions to dynamic and fast-growing companies by carving their growth path and being responsible for profitability and success.
- You have a track record of successfully managing the fiscal responsibility of medium to large organizations while contributing to growth and success.
- You have great leadership and communication skills, financial expertise and broad business knowledge. You are a strategist who focuses on the big picture yet concentrates on the little details.
- You have the ability to make presentations to Board of Directors, bankers, investors, CXOs, leadership team and other stakeholders.

### **JOB ROLE**

- Work closely with the CEO and leadership team.
- Own and drive the financial metrics and reporting needed for visibility, performance and compliance.
- Lead and guide accounting, operations, governance, IT and legal teams to ensure compliance and accountability.

### **QUALIFICATIONS & SKILLS-SET**

- CPA, CA, or other relevant education.
- 15+ years of experience in finance leadership roles in public and private companies, with at least 5 years in companies with revenue in the range of \$100M-\$200M.
- Inherent love for technology.
- Proven track record.
- Reputation for integrity and ethics.
- Strong financial acumen.
- Experience with IPOs.
- Experience in mergers & acquisitions.
- Articulate communicator and team player.
- Strong analytical and problem-solving skills.

**SENIORITY LEVEL**

Senior Management

**INDUSTRY EXPERIENCE**

IT/ITES, Manufacturing, Pharmaceuticals, Retail

**EMPLOYMENT TYPE**
